Regarding entertainment of conservancy carts in the Birur Town Municipality during the years 1945-46 and 1946-47

==========

I have the honour to state that the Town Municipal Council, Birur had engaged two carts on a monthly hire of Rs 150/- during the year 1945-46, for removing the street rubbish outside the town Sanction to incur this expenditure has not been obtained The work of removing the rubbish by means of bullock carts during the year 1946-47 was put to sale on 25-5-1946 The lowest amount offered for this work was Rs 115/- per cart per month The sale was therefore postponed and tenders were called for Out of the two tenders received, the tender of one Murugherdrappa for Rs 195/- for two carts was the lower one The Municipal Council accepted his tender, at its meeting held on 30th June 1946 In the Taluk Town Municipality, the rate of hire of the conservancy carts is Rs 100/- each per mensem

2 The President of the Birur Municipality explained to me that in Kadur Municipality, the Contractor will supply only cart and bullocks, but in the Birur Municipality, the contractor will make his own arrangements to provide a driver and a person to deposit the rubbish in thecarts The existing rate is therefore reasonable The President will be instructed to depute one of the sweepers for this purpose, in future and thereby save some amount

3 I request that the entertainment of two carts by the Birur Municipality for conservancy purposes may be kindly sanctioned by Government The expenditure in this behalf will be met out of the provision of Rs 2000/- made under E2- Conservancy and Sanitation of the budget for the current year, and the balance out of the closing balance of the funds of the Municipality Stamped agreement has been got executed from the Contractor for the due fulfilment of the work Records are enclosed
